MEET OUR EMPLOYEES

Why do our employees enjoy working at our Ambulatory Surgery Centers? We asked, and this is what they had to say:

"Working at Waverley Surgery Center is like getting paid to play with your best friends."
--Gary, OR RN

"The management is supportive, we work as a team and there's much less stress working at an ASC vs. a hospital. Plus they provide us with free food and sodas!"
--Kasindy, PACU RN

"We are a family. The staff show care and concern not only for the patients, but also for each other. I consider this my home away from home."
--Cathy, Admitting

"I feel happy coming to work because I am appreciated. We have a team that works well together and are always ready to lend a helping hand."
--Stephanie, Scheduling

"Working for Waverley Surgery Center is great. The staff here is remarkable; really friendly and very helpful. I feel as though I make a difference here."

--Tess, PACU RN

"I love it here! We were voted one of Ten Best Places to Work in the Bay Area, 2007 so that should tell you something!"
--Sue, PACU RN

"Everyone here, from the managers to the staff, is professional, friendly and so nice to be around."
--Santos, OR RN

"Campus is one of the best places I've worked in my 13 years as a Surgical Tech. The true meaning of teamwork is defined in our everyday work routine and the quality of care given to patients is second to none."
--Anna, OR Tech

"The staff is great and the company has been really supportive as I work towards my RN degree"
--Melinda, LVN

"The traditional gap between management and employee is nonexistent at Campus. Everyone is willing to help you in any way they can."
--David, Front Desk/Admitting

"I work with highly skilled, educated coworkers in a friendly atmosphere."
--Marti, PACU RN

"I work with friendly people and the company has invested a great deal in my training."
--Jesus, Instrument Tech

"Silicon Valley Surgery Center, to me, always feels like a family oriented atmosphere with genuine quality patient care."
--Pat, PACU Nursing Asst

"I enjoy my co-workers immensely and my job is challenging...in a good way!"
--Lynda, Materials
